

JetSupport provides technical services and support for business aviation. We focus on flexibility, transparency and a personal touch. We continuously improve our operations in order to meet and exceed the needs of our customers. Our technical services are customized for the most popular business aviation aircraft types. Our customers' value maximum aircraft availability which we provide by conducting preventive and corrective maintenance. We also facilitate special projects, ranging from small modifications up to complete avionics retrofits. Our service center operates 7 days a week in two shifts.

The growth of our business requires us to expand the team at Oberpfaffenhofen Airport (Germany) with a:

## Licensed Aircraft Engineer B1 / Deputy station manager

*Cessna 525 series and/or Falcon 7X/2000EXy*

### What will you be doing:

- Maintaining and releasing aircraft in accordance with EASA Part-66 and Part-145 rules and regulations.
- Aircraft (ground-) handling
- AOG support
- Facility management
- Act as the Deputy station manager, representing JetSupport towards customers, suppliers and other stakeholders on location.

### Your skillset:

- As an EASA licensed engineer B1 you are type rated and have relevant experience as certifying staff for the Cessna 525 series and/or Falcon 7X/2000EXy.
- Experienced professional with a customer oriented mindset
- Able to work individually and in a motivated team in which flexibility, autonomy, team spirit and pro-activity forms the basis.
- Flexible working times, including occasional weekends.
- Good communication skills.
- Proficient in English both verbally and in writing.
- In possession of a driving license B.

### This is our offer:

To work in a motivated team. To grow professionally as well as to help in growing our business, we value freedom and responsibility and empower employees to make the right decisions.

If you are interested and meet the requirements above, then please send your CV and motivation by e-mail to [recruitment@jetsupport.nl](mailto:recruitment@jetsupport.nl).

**Please take note:** Only candidates with an AML for business jets in our scope can be considered.

*Dear recruiters. Acquisition to this vacancy is not appreciated!*
